**INSTRUCTIONS FOR COMPLETING
MSFC FORM 383-1
CONTRACTOR EMPLOYEE CLEARANCE DOCUMENT**

The Contractor Employee Clearance Document (MSFC Form 383-1) must be completed for contractor employees who leave the employment of their company for more than 30 days.

Controlled items are: (1) keys, property, classified documents, and other items that must be signed for by an individual; or (2) ADP programs, documentation, tapes, data in machine-readable form, magnetic disks or diskettes, proprietary software, tape cassettes, CDs, DVDs, flash drives, hard drives, or any other medium containing classified, sensitive, or proprietary data and other ADP hardware and software used by specified individuals and (3) those items which if lost, allowed to be used by or made available to nonauthorized personnel could cause embarrassment to or create a compromising situation with a Government function or operation.

Item 1. Your supervisor must sign as clearing official. By signing this block, the supervisor and administrative officer are certifying that any records the employee had (or was responsible for, etc.) were properly transferred to another appointed employee, or to their supervisor to reassign, retire, etc. This includes records that may be in hardcopy (files) or electronic (on electronic equipment such as PDAs, laptops/desktops, servers, etc., or offline storage such as CDs/DVDs, thumb drives, hard drives, etc.). It is understood that the ID(s) of the departing user will be deleted upon transfer or termination, in accordance with MPR 2810.1. Your supervisor must clear Disposition of all Registered Documents, Classified Materials, Official Records, and Chemicals.

Item 5. You are responsible to ensure all property assigned to you in N-PROP and MAMs has been dispositioned. Your Organizational IT Manager (OITM) must sign as the clearing official. By signing this block, the OITM and your Supervisor (in ITEM 1) are certifying that any records the employee had (or was responsible for, etc.) were properly transferred to another appointed employee or to their supervisor and all data that remains can be removed from the assigned equipment. All ODIN and non-ODIN property has been transferred to another appointed employee or an excess request has been submitted. This includes PDAs, pagers, laptops/desktops, peripherals, servers, network drops, etc.

Item 7. If charged with property, you are responsible that it is turned in, transferred to another person, or appropriate adjustments are made with the Logistics Services Department and with your organizational property manager when changed to a position no longer requiring the property or prior to leaving the Center. Employees must provide their badge number when clearing in Building 4200.

Item 9. Each laboratory/program/project office has a Lock and Key Coordinator. Contractors must clear with the Lock and Key Coordinator for the organization they support.

Item 10. When leaving the Center, you must personally turn in your NASA identification badge and car decal(s) to the Protective Services Identification and Registration Office (I&R), Building 4312. Remove decals from all of your vehicles and have them with you when you check out. If you do not know how many decals have been charged to you, call the I&R office at 256-544-2090. If you have Entrust/PKI, submit request through IDMAX <<https://idmax.nasa.gov/>> to modify PKI application and request revocation.
